Notice to Members

Our guild's bylaws call for sharing of our resources by:

- ***Holding*** monthly meetings for members and guests to share our knowledge and enjoyment of quilting
- ***Assisting*** us in our education about our craft
- ***Committing*** to community service through group quilt making and quilt-related events.

Our guild strives to be a friendly and supportive group.

Each member shares in the work and benefits of our guild by:

- ***Serving*** as an officer, committee chair or committee member. Standing committees are: Membership, Programs, Community Service, Hospitality, Newsletter, Publicity/Historian, Library, Sunshine and Webmaster.
- ***Participating*** in activities of interest to guild members. Activities can be one-time or occasional such as shop hops, retreats, museum trips, etc.
- ***Raising funds*** to supplement our membership dues so that we can provide a meeting place where we can enjoy our educational and community service activities. Guild funds also support programs that include professional speakers and workshops, trunk shows and other activities.
